

Curriculum Vitae
رزومه

Ph.D. of Veterinary Parasitology Ferdowsi University of Mashhad

E-mail: moghaddas.elham@yahoo.com

Phone number: 09153018169-05138802401-3

Field of study:

- Plathy helminths(Echinococcus)

Membership in societies:

- ISP (Iranian Society of Parasitology)

Current position:

- PhD of parasitology

Experimental skills:

- Study of Biology and detection parasites
- DNA and RNA isolation
- PCR technique
- SDS-PAGE
- ELISA

HONORS and AWARDS

- **1998:** Rank among the top student in high school, Remark: my Diploma average number is 18.87.
- **2002:** Honors from Ferdowsi university because memberance of guild council.
- **2006:** Selected as one of the top DVM thesis and success in getting grade 19.5.
- **2008:** First grade in Iran National University Entrance Examination for studying PhD courses in parasitology medicine. Ferdowsi university, Mashhad, Iran.
- **2008:** second grade in Iran National University Entrance Examination for studying PhD courses in parasitology medicine.Tehran university, Iran.
- **2010:** first grade in the Board Examination , Ferdowsi university, Mashhad, Iran.

WORKSHOP and SEMINAR

- **2008:** Oral presentation about“Process of immune responses in Hydatid cyst”, Ferdowsi university, Mashhad, Iran.
- **2011:** Cooperation in “The ESCMID Postgraduate Course, Cystic Echinococcosis: Burden of Disease in the EU and Clinical Management Pavia, Italy (September 23-25, 2011).
- **2011:** Gene cloning and expression Workshop, Iran, Mashhad, Razi vaccine and serum research institute.

PUBLICATION PAPER

- Borji H, Razmi GH, Movasseghi AR, **Moghaddas E**, Azad M. (2011). Prevalence and pathological lesion of *Trichomonas gallinae* in pigeons of Iran, *J Parasit Dis*, 35(2): 186–189.
- Borji H, **Moghadas E**, Razmi GH, Heidarpour M, Mohri M, Azad M. (2011). Prevalence of pigeon haemosporidians and effect of infection on biochemical factors in Iran, *J Parasite Dis*, 35(2):199–201.
- Heidarpour M, Mohri M, Borji H, **Moghdass E**.(2012). Oxidative stress and trace elements in camel (*Camelus dromedarius*) with liver cystic echinococcosis. *Veterinary Parasitology*, 187(3-4): 459.
- Borji H, Razmi GH, Maleki M, Emami MR, Kazemi H, **Moghaddas E** (2012). The first report on alveolar echinococcosis infection in a

- monkey (*Ateles geoffroyi*) in Mashhad, Iran. Iranian journal of public health, 41(2): 111 - 116.
- **Moghaddas E**, Borji H, Razmi GH, Naghibi A, Shayan P. (2012). Epidemiological study of hydatidosis in the dromedaries (*Camelus dromedarius*) of different regions of Iran. Asian Pacific Journal of Tropical Medicine. (ISSN: 1995-7645).
 - **Moghaddas E**, Borji H, Naghibi A, Shayan P, Razmi GR. (2013).Molecular genotyping of Echinococcus granulosus from dromedaries (*Camelus dromedarius*) in eastern Iran. J Helminthol.10:1-5
 - Borji H , **Moghaddas E**, Razmi GH.(2012). A survey of ecto- and endo-parasites of domestic pigeons (*Columba livia*) in Mashhad, Iran, IJVST.4(2):
 - Heidarpour M, Mohri M, Borji H, **Moghaddas E**. (2013).Oxidant/antioxidant balance and trace elements status in sheep with liver cystic echinococcosis.22:1043-1049.
 - Moshavernia A, **Moghaddas E**. (2013). Prevalence of tick infestation in dromedary camels (*Camelus dromedarius*) brought for slaughter in Mashhad abattoir, Iran. Journal of Parasitic Diseases . doi:10.1007/s12639-013-0367-5.
 - Moshavernia A, **Moghaddas E**. Maleki M, Borji H. Gingival myiasis of camel (*Camelus dromedarius*) caused by *Wohlfahrtia magnifica*. Sci Parasitol 14(2):85-87.

CONFERENCE PAPER

- The 5th national conference veterinary medicine, Ahvaz, Iran. (2001). Study of effect BMG in muscle of Rabbit. **Moghaddas E**, Zangoee Z.
- The 3th convention of Iranian Veterinary Clinicians, Mashhad, Iran. (2002). Pathological effect Phenytoin in intestine of Red fish. **Moghaddas E**, zangoee Z.
- 1th international congress of biology, community, looking ahead, Mashhad, Iran (2004).Retrospective reviw of Leishmaniasis in human from 1999 to 2001 in Mashhad city. **Moghaddas E**, zangoee Z.
- 1th international congress of biology, community, looking ahead.(2004).Chemical and drugs residues in food, Mashhad, Iran Zangoee Z, **Moghaddas E**, Esmaeli, J.
- The 6th Iranian Veterinary Congress, Mashhad, Iran. (2005). Statistics of scorpions scurry from 2002-2003 in different area of mashhad and relation to age, season of persons. **Moghaddas E**, Razmi GH.

- The 6th Iranian National Congress of Parasitology, Karaj, Iran. (2008). Species of coccidian of fecal sheeps in 50 instances. Rasoli M, **Moghaddas E**, Razmi Gh.
- The 1th International Congress of Food Hygiene, Tehran, Iran. (2009). Using artificial neural networks and Leven berg-Marquardt algorithm for prediction of Staphylococcus aureus growth. Shahnia M, Shahbazikhah P, Khaksar R, Jamshidi A, Kazerani R, **Moghaddas E**.
- The 5 convention of Iranian Veterinary Clinicians, Ahvaz, Iran. (2007). Prevalence of Trypanosoma evansi in camel of Mashhad slaughterhouse. **Moghaddas E**, Borji H, Razmi GH, Najjarnejad V.
- The 6 convention of Iranian Veterinary Clinicians, Tabriz, Iran. (2009). Retrospective study prevalence of sheep hydatid cyst in Mashhad. **Moghaddas E**, Borji H, Jandaghi H.
- 2 th International Veterinary Poultry Congress, Tehran, Iran (2010). Prevalence gastero-intestinal parasit in pigeons of Khorasan. **Moghaddas E**, Borji H, Razmi GH, Azad M.
- 2 th International Veterinary Poultry Congress, Tehran, Iran. (2010). Prevalence avian Trichomonasis in pigeons of Khorasan Province. **Moghaddas E**, Borji H, Razmi Gh, Azad M.
- 2 th International Veterinary Poultry Congress, Tehran, Iran. (2010). Prevalence and heamatological and biochemical changes of Pigeon infected Haemoproteus. **Moghaddas E**, Borji H, Razmi GH, Azad M, Heidarpur M, Mohri M.
- 2 th International Veterinary Poultry Congress, Tehran, Iran. (2010). Prevalence of ectoparasits in Pigeons of Khorasan Province. **Moghaddas E**, Borji H, Razmi GH, Azad.
- 16 th Iranian Veterinary Congress, Tehran, Iran. (2010). pathological affects avian Trichomonasis in pigeons of Khorasan Province. **Moghaddas, E.**, Borji, H., Razmi, GH., Azad, M.
- 16th Iranian Veterinary Congress, Tehran, Iran (2010). Prevalence of human hydatid cyst in operated patients in Mashhad. **Moghaddas E**, Borji H, Razmi GH, Azad M.
- 16th Iranian Veterinary Congress, Tehran, Iran (2010). Prevalence of Camel ectoparasit in Zabol township. **Moghaddas E**, Razmi GH.
- 7 th Convention of Iranian Veterinary Clinicians, Iran, (2012). Detection of seasonal parasite fauna of two types of pharmed fish (big head and pharmed carp) in Mashhad. Ahmadi A, Ebrahimi M, yaghfoori S, **moghadas E**.
- 3 th International Veterinary Poultry Congress & Exhibition of Iran, (2012). A preliminary study of gastrointestinal helminth parasites of wild red-legged partridges (Alectoris rifa) from khorasan Province, Iran. Moshiri A, **Moghaddas E**, Jandaghi H, Hosseini SH.

- 3 th International Veterinary Poultry Congress & Exhibition of Iran,(2012).The first reported *Anonchotaenia.spp* from *Ammoperdix griseogularis* in Iran from Mashhad. Moshiri A, **Moghaddas E**, Borji H, Hosseini SH, Jandaghi H.
- 1 th International & National Congress Of Parasitology & 8 th Parasitic Diseases in Iran, (2012). Study of parasitic contamination of the abomasums of sheep slaughtered in mashhad industrial abattoir. **Moghaddas E**, Faramarzi H, Yeganeshakib A, Jadidoleslami A.
- 1 th International & National Congress Of Parasitology & 8 th Parasitic Diseases in Iran, (2012).A case of gingival myiasis in a one-humper camel cause by *Wohlfahrtia magnifica* in Mashhad. **Moghaddas E**, Moshavernia A, Razmi Gh, Borji H.
- 1 th International & National Congress Of Parasitology & 8 th Parasitic Diseases in Iran, (2012).Molecular identification of *Echinococcus granulosus* Strains From *camelus dromedarius* in eastern half of Iran. Borji H, **Moghaddas E**, Naghibi A, Razmi GH, Shayan P.
- First National Congress of Camel in Iran. (2012). Epidemiological study of hydatidosis in the dromedaries (*Camelus dromedarius*) of different regions of Iran. **Moghaddas E**, Borji H, Razmi GH, Naghibi A, Shayan P.
- 17 th International Veterinary Congress. Moshiri A, **Moghaddas E**,Razmi H, Borji H.2012.The first report of experimental infecton in dog to *Taenia Serialis*, Iran.
- First National Congress of Camel in Iran. (2012). A new PCR-RFLP method for detecting *Echinococcus granulosus* strains camels. **Moghaddas E**, Borji H, Razmi GH, Naghibi A, Shayan P.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015).Diagnosis of *Trichuris* species in sheep slaughtered of abattoir of Mashhad city. **Moghaddas E**, Borji H, Shamsian AK, jadidoleslami A.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). Prevalence of *Cryptosporidium spp.* in dairy cattle in Mashhad city. **Moghaddas E**, Fata AA, Shamsian A.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). Case report of *Coenurus cerebralis* in the muscle of a sheep from Mashhad. **Moghaddas E**, shamsian AA, berengi F.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). Study on the prevalence of *fasciola* in camels (*Camelus dromedaries*) slaughtered at industrial Mashhad abattoir of Khorasan province. **Moghaddas E**, Shamsian AA.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). Genotyping of Hydatid Cyst Isolated from

Human in Khorasan Province, Using PCR-RFLP. **Moghaddas E**, Borji H, Fattahi SH, Fata A.

- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). Epidemiological survey patients infected to hydatidosis in Shahrood between 2009- 2014. **Moghaddas E**, berengi F.shamsian AA, Poustchi E.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). What is the Diagnosis? Cutaneous Leishmaniasis or Fish tank granuloma ?Fata A, Parian M, Berenji F, **Moghaddas E**, Poostchi E, Tajzadeh P, Rahmani Sh.
- 2 th International & National Congress Of Parasitology & 9 th Parasitic Diseases in Iran, (2015). Prevalence of Gongylonema pulchrum in Cattle of abattoir of Mashhad city. **Moghaddas E**, Shafiee R, Molaee A jadidoleslami A.

COMPUTER SKILLS

- Microsoft office (Word,PowerPoint,Excel)
- Software:Spss.Bioedit,clone maneger

Work experiences:

- Teaching Parasitology in training complex of hasheminejad,Mashhad
- Researching on Echinococcus granulosus and hydatid cyst in animal and human

Research interests:

- Echinococcus, Platyhelminths
