

Course Schedule of MSc Mycology Students

Field of study	Educational level	Educational semesters	Title	Credits		Course code
				Theory	Practical	
Medical Mycology	MSc	1	Medical information systems	0.5	0.5	01
			Laboratory animals and their application in Mycology	1	0	19
			Basics of mycology	2	1	10
			Superficial and cutaneous fungal diseases	2	1	11
				4.5	3.5	
		2	Vital statistics	2	-	07
			Research method in health sciences	1	1	18
			Subcutaneous and mucosal fungal diseases	1.5	0.5	12
			Visceral fungal diseases	2	1	13
				6.5	2.5	
		3	Internship	-	2	15
			Seminar	1	-	14
			Immunology in fungal disease	1	-	09
			Epidemiology and principles of prevention of diseases	2	-	21
			Cellular and molecular biology in Medical Mycology	1	-	08
				6	3	
		4	Thesis	8	-	16
				10		
				total	34
