

Course Schedule of MSc Parasitology Students

Field of study	Educational level	Educational semesters	Title	Credits		Course code
				Theory	Practical	
Medical parasitology	MSc	1	Medical information systems	0.5	0.5	06
			Cellular and molecular biology	1.5	0.5	03
			Immunology	1	0.5	07
			Helminthology 1	2	1	11
			Protozoology 1	2	1	10
			Applied vital statistics	1.5	-	14
				8.5	3.5	
		2	Epidemiology principles	1.5	-	08
			Medical entomology	1.5	0.5	02
			Research method in health sciences	1	0.5	15
			Medical mycology	0.5	0.5	20
			Hematology (Except students of laboratory sciences)*	1	1	05
			Laboratory animals and their application in parasitology	0.5	0.5	09
			Medical Ethics	1	-	21
				7	3	
		3	Helminthology 2	2	1	13
			Protozoology 1	2	1	12
			Seminar	1	-	17
				5	2	
		4	Internship	2	-	16
			Thesis	8	-	18
				10		
				total	39
